The Civil War in the East: Struggle, Stalemate, Victory

By Brooks D Simpson

Potomac Books Inc. Paperback. Book Condition: new. BRAND NEW, The Civil War in the East: Struggle, Stalemate, Victory, Brooks D Simpson, For all the literature about Civil War military operations and leadership, precious little has been written about strategy, particularly in the eastern theater. "The Civil War in the East" takes a fresh look at military operations in this sector and the assumptions that shaped them. With opposing capitals barely a hundred miles apart and with the Chesapeake Bay-Tidewater area offering Union generals the same sorts of opportunities that Confederate leaders sought in the Shenandoah Valley, geography shaped military operations in fundamental ways. Presidents, politicians, and the press peeked over the shoulders of military commanders, some of whom were not reluctant to engage in their own intrigues as they promoted their fortunes. The location of the respective capitals raised the stakes of victory and defeat. At a time when people viewed war in terms of decisive battles, the anticipation of victory followed by disappointment and persistent strategic stalemate characterized the course of events in the East.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.

-- **Mr. Carol Bergnaum IV**

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.
