My Very Own Poetry Collection First Grade: 101 Poems for First Graders

By Betsy Franco

Teaching Resource Center, United States, 2008. Paperback.
Book Condition: New. 249 x 201 mm. Language: English . Brand
New Book ***** Print on Demand *****.The poems in this
personal poetry collection have taken into account themes and
topics for first graders: poems about me; school, community,
and our country; animal poems; math poems; science poems
about life cycles and much more! The poems in the collection
are from four to fifteen lines long. Those within the beginning
themes are simpler, including many high frequency words that
children can use as anchors and a great deal of repetition to
make the poems more predictable. Reading a poem in many
forms makes it fun for first graders to practice and develop
their reading skills. For individual, group, and whole class
work, we've provided the tools you need. Each poem has a
student poem page with an engaging illustration. This enables
children to create their own personal poetry collections. For
group and center work, we've provided strips that fit into the
Desktop Pocket Chart. We've also included instructions for
enlarging the poems for use as poetry posters.
