This is one of the most important books on real scriptural prophecy as it relates to the children of Real Israel hidden in the diaspora today. She is a Biblical scholar and has studied the Hebrew language in depth and gives translations of words and expressions that were contemporary to the writers of those periods, in order to help us better interpret scriptures for our modern understanding. If you are on a search for Biblical truth and are ready to have many of your inherited beliefs challenged then this is one of the most life changing and important books you will ever read. If God is quickening you. If he shakes you awake out of your sleep. If he opens your eyes to see something is wrong with what you have been told; you owe it to yourself to study and read this book.
