Kets de Vries, If you are to survive in today's competitive environment, you must have the leadership skills that make you a valued member of your organization's leadership team. Global Executive Leadership Inventory (GELI) is your in-depth development tool that offers guidance for understanding your leadership abilities and shows you how to take steps to improvement. The Inventory consists of 100 action- and behavior-based questions that are designed to measure your competency within twelve areas: Visioning, Empowering, Energizing, Designing and Aligning, Rewarding and Feedback, Team Building, Outside Orientation, Global Mindset, Tenacity, Emotional Intelligence, Life Balance, and Resilience to Stress. The Inventory includes an effective self-assessment tool as well as a 360- degree component that allows you to obtain feedback from subordinates, colleagues, and superiors. Once the assessment is completed and scored, the Participant Workbook guides you through the feedback and helps to create a development plan. As a result of the GELI process, when you complete this Workbook you will be able to: state advantages of and concerns about 360-degree feedback; identify twelve key characteristics of successful global leaders; evaluate your strengths and weaknesses on each of the twelve key characteristics; and, develop an action plan that specifies what you will do to improve your leadership competencies. An ideal tool for examining your leadership behavior roadblocks and then taking steps toward improvement, the GELI will serve you as an essential resource on your leadership journey.
