Writing in Psychology

By Scott A. Miller

Routledge. Paperback. Book Condition: New. Paperback. 200 pages. Dimensions: 8.9in. x 6.0in. x 0.5in. This book helps readers become better writers of psychology and better writers in general. After reading thousands of course papers, theses, and dissertations, Dr. Miller knows and addresses the issues that students find most challenging when writing about psychology. Written with the utmost flexibility in mind, the chapters can be read in any order. More comprehensive than similar texts, this book provides detailed coverage of how to write empirical reports, research proposals, and literature reviews, and how to read meta-analyses. Readers will also find invaluable strategies for improving one's writing including how to adopt an engaging yet accurate style, thorough coverage of grammatical and word use rules that govern writing in general, and the APA (American Psychological Association) rules that govern the expression of that content. Readers will appreciate these helpful learning tools: Describes the most common APA style rules encountered and/or highlights references to the Manual when more detailed knowledge is required. Numerous examples from journal articles that help readers gain a clearer understanding of content they will encounter in writing psychological reports. Chapter exercises that provide an opportunity to apply the points conveyed in each chapter. Examples...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
