Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BAIT AND SWITCH: THE FUTILE PURSUIT OF THE CORPORATE DREAM

Granta Books. Hardback. Book Condition: new. BRAND NEW, Bait and Switch: The Futile Pursuit of the Corporate Dream, Barbara Ehrenreich, Intrigued by reports of increasing poverty and despair within America's white-collar corporate workforce, Barbara Ehrenreich decided to infiltrate their world as an undercover reporter and learn about the problems facing middle-class executives at first hand. Thinking she had set herself a pretty easy challenge, the author was quite unprepared for what happened next. Ehrenreich found herself entering a shadowy world of Internet job searches, lonely networking events and costly career-coaching sessions, a world in which 'professional' mentors and trainers offer pop-psychology and self-help mantras to desperate would-be employees. Her story is an important one - poignant and blackly funny - that delivers a stark warning about the future that faces corporate employees everywhere and calls for collective action to guard against it.
