Arcadia Publishing (SC). Paperback / softback. Book Condition: new. BRAND NEW, West Plains: 1930 to 1970, Toney Aid, Jerry Womack, The Great Depression hit West Plains hard, but people were resilient and bounced back during World War II. The postwar years brought rural electrification, television, and paved roads. As the economy began to move away from agriculture to new industries, a flooring mill and shoe factory came to town, accompanied by a community hospital. Big band slipped into rock and roll, radio to television, and iceboxes to refrigerators. In 40 years, people went from Ford Model Ts to Mustangs and from silent films to the big screen at the 63 Drive In. By the end of the 1960s, the Beatles had arrived, and everyone was looking in their world atlas for a place called Vietnam. This is a pictorial journey through a small town in the Ozarks from the 1930s to the 1970s.
