C. : Office of the Under Secretary of Defense for Acquisition and Technology, 1998. OCLC Number: (OCoLC)38941050 Subject: Government purchasing -- United States. Excerpt: . . . Executive Summary The Under Secretary of Defense for Acquisition and Technology (USD A and T) tasked the Defense Science Board (DSB) to review the Departments acquisition organizations and workforce, and to recommend changes that would lead to better, cheaper, and faster acquisition. This report is the result of that intensive assessment. It contains a proposed blueprint for change which we believe will lead to Defense acquisition organizations and a workforce that can acquire high quality products and services better, more quickly, and at lower cost. Focus on the Warfighter While our recommendations are directed at the Departments acquisition infrastructure, they are nevertheless designed to directly benefit the warfighter and contribute to improved mission readiness. As the Department strives for an acquisition process that will perform better, cheaper, and faster, we believe that the criteria should be measured from the warfighters perspective in addition to any business perspective that might be considered....
