In Easy Steps Limited, United Kingdom, 2012. Paperback. Book Condition: New. 3rd Revised edition. 224 x 184 mm. Language: English . Brand New Book. SQL in easy steps, 3rd edition has an easy-to-follow style that will appeal to anyone who wants to begin using databases. It is aimed at those with little or no experience of SQL. From web developers wanting to add database interaction to their web sites, programmers wanting to quickly add SQL to their skills set, hobbyists who want to begin creating SQL scripts for upload to their own ISP, to students or to those seeking a career in computing, this book will appeal to all who need a fundamental understanding of database administration with SQL. SQL in easy steps, 3rd edition begins by explaining how to download and install the free MySQL database server on both Windows and Linux platforms. This allows you to establish an environment in which to develop and administer your own databases. This book makes no assumption that you will have previous knowledge of any programming or scripting language so it's ideal for the newcomer to SQL. By the end of the book you will have gained a sound understanding of the Structured Query Language and be able to write your own SQL scripts to insert, extract and manipulate data with ease!.
