Brand New Book ***** Print on Demand *****.A novel of stunning power, romance and set in a milieu that evoked women of power to enter a world of great challenge, competing against the politics of male dominance. It is the humanity and compassion that the protagonist, Gertrude Stiermfeld so well demonstrated that ultimately lead to the great successes in her business career. However, a young woman has many dreams, especially dreams of falling in love. And so it was that something precious and mystical happened that was captured in the brevity after meeting her beloved Bernardt; he inspired her to live her dream. She opened her first business in the sought-after market of Women s Couture, at first specializing in the corsetiere industry. A market that had been dominated by England and France during that time. But most notable and sensual are the romance and passionate feelings depicted as she experiences the ecstasy of her sexuality, described with such intensity and vigor. Later through trials and tribulations in her personal life and career she ventures into the world of fashion design and thus becomes renown for her exotic and famous evening, day and slack couture for women. But life deals her many a blow as tragedy and heartsore enters a time in her life when she least expected it. We learn about her mother s story during this time as she brings Gertrude around to move forward and treasure the moments of sanctity that she shared with her loved one. We relive and envision the beautiful places she visited, her deep love for her companions and the struggles of the Second World War. Her creativity during this time to stay afloat and her sagacity in...
