This is a fun, funny and adventurous story about a young bee who one day finds himself in the middle of the sea. Surrounded by curious sea creatures and fantastical ocean life he undertakes a magical journey making many friends along the way. The fish gather around and teach him how to swim while he teaches them how to jump up and fly out of the sea. This book has an important message that children everywhere will respond to, teaching them that if bees can swim and fish can fly, children too can do anything they try.
