

Catalogue of the Hopkins Railway Library (Classic Reprint)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

CATALOGUE OF THE HOPKINS RAILWAY LIBRARY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Catalogue of the Hopkins Railway Library This catalogue, prepared during the past year by Mr. F. J. Teggart, the assistant librarian having the immediate care of the Hopkins Library, numbers 9,245 books and pamphlets. A writer in the Railroad Gazette of November 8, 1889, noticing at length the considerable collection of railway books included in the published Catalogue of the Library of the Prussian Department of Public Works, deplores the fact that he is not able to point to a similar special collection on this subject in the United States. It is hoped that the present collection and catalogue will in some degree direct attention to the extensive literature relating to railways, and stimulate an interest in its collection and preservation. The American Society of Civil Engineers and the Office of Poor s Railroad Manual each has a considerable number of books upon the subject; and in Europe, the Prussian Department of Public Works, the Wurtemberg State Railways, the Austrian State Railways, and the Austrian Nordbahn, each possesses an important collection. Doubtless, too, if the railway books in so vast a library as that of the British Museum were segregated, the showing would be large. The history, in brief, of the Hopkins Railway Library dates from the time, a few years since, when Mr. Timothy Hopkins, of San Francisco, while Treasurer of the Southern Pacific Company, brought together gradually the material which constituted the beginnings of the collection. In April, 1892, six months after the opening of this University, he presented to the institution his railway library, which then numbered 2,000 volumes and pamphlets, at the same time providing for its maintenance and increase. Purchases...
