This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2004 in the subject English Language and Literature Studies - Linguistics, grade: 1,0, University of Bayreuth (Lehrstuhl für Englische Sprachwissenschaft), course: English based Pidgin and Creole Languages (and beyond), 7 entries in the bibliography, language: English, abstract: Dealing with linguistics, one clearly realises that language is anything else but a static subject. Actually, language finds itself in constant change and is shaped by its speakers and the situation they are in. One of the many influences that form language has always been contact with new people and different languages, which for example happened when the Britains began to explore the world and brought English to the new continents. Many different new varieties and languages developed, one of them being Jamaican Creole. Far away from Great Britain it found its niche in Jamaica, where it is spoken by many as their native language. Pidgins and Creoles are a well-explored subject in linguistics. But what happens when these languages return to the home countries of one of their root languages One of the classic...
