Excerpt: .the mighty column crouched and shivered to the blast that pierced theirvery bones with its chilling power. But this was not all--the piercing cold, and drifting snow, and raving tempest, and concealed pit-falls, leading to untrodden abysses, were not enough to complete the scene of terror. Suddenly, from the summit of the Splugen, avalanches began to fall, whose path crossed that of the army. Scaling the breast of the mountain with a single leap, they came with a crash on the shivering column, and bore it away to the destruction that waited beneath. Still, with undaunted front and unyielding will, the bold Macdonald struggled on in front, inspiring by his example, as he never could have done by his commands, the officers and men under him. Prodigies were wrought where effort seemed useless. The first avalanche, as it smote through the column, paralyzed for...
