Paperback. Book Condition: New. Paperback. 290 pages. In *Organ of Pain: One Mans Ordeal with Life, Erectile Dysfunction, and Other Ailments*, author Brad Ryder narrates a powerful tale of how physically and psychologically painful ED is for men and those who love them. Incredibly moving, this poignant memoir is not without humor as it tackles a very personal subject, one that affects twenty percent of men in America. With equal amounts of irony and wit, Ryder shares with readers how ED impinged on all aspects of his life, including his job, his relationships, his self-esteem, and his confidence. In eighteen chapters with titles such as *The Long and Winding Summer* and *The Hour of Caesars Farewell*, his narrative begins with the fateful accident and later illustrates the frustrating dead ends he experienced when doctors, assuming it was psychosomatic, were sympathetic but unhelpful. An unerring message of hope, this journal encourages patients to be persistent, proactive, and to exhaust all options in regards to health and well-being. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
