LAP Lambert Academic Publishing Jul 2012, 2012. Taschenbuch. Book Condition: Neu. 220x150x6 mm. This item is printed on demand - Print on Demand Neuware - Ethiopia is in better position to achieve the MDGs respect to some sectors, of which Eradicating extreme poverty and hunger by 2015 is fundamental and substantially important goal even though the problem is not solved uniformly among various regions of the country. The problem is still critical in emerging regions where agro-pastoral community are extensively used hand hoe for plowing, little or no agricultural extension use and non-use of fertilizer. Hence this work clearly quantifies the food poverty indices, food poverty gap and the severity of the problem. Moreover it also indicates the essential economical, social, political and cultural variables that influence the food insecurity of Gninignang District of Gambella Region using acceptable econometric model and sampling design with best recommendation of possible options for the regional and national decision maker and policy designers respectively. 96 pp. English.
