This black and white Edition comprises three books, Student Book, Practice Book and Teachers Guide and introduces the alphabet from M to Z. Throughout the world children begin to learn English at a wide range of ages. Some start at age 3 while others are much older, some need to learn the English alphabet and others are familiar with it. This textbook was designed for young children who are new to the alphabet. If an alphabet book for older children is required you can download one at: Successful ESL - <http://www.esl-curriculum.ca> This book of 29 pages and 14 lessons introduces the children to printing between lines as each new letter is presented. The book is designed to provide the teacher with independent work for the students. Once the pages have been introduced the teacher has time to move about the room to help individuals or deal with other classroom needs. Students write, draw and color in the book. As the students progress, some children will learn to read the large print instructions while other will continue to rely on the teacher reading them orally. Types of exercises and activities: - Each lesson has two pages of exercises or activities. - Pictures of the key word(s) for the initial sound of the upper and lower case letters are displayed. - Children are introduced to and given practice in printing between lines. - Pictures for the initial sounds of the key words are included. - Large print directions tell the children what to do. The teacher explains these orally as most of the...
