

## Out of the Blue: True-Life Experiences of Awakening, Revelation and Transformation

By Mary Terhune

Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, Out of the Blue: True-Life Experiences of Awakening, Revelation and Transformation, Mary Terhune, In this fascinating book, Mary Terhune shares her personal journey of spiritual awakening, mystical encounters and visions, as well as the universal truths revealed to her in the process. During a life crisis, she spontaneously received revelations from Jesus that transformed her conscious awareness, changing her life forever. A profound experience of self-realization brought her the message that divinity is humankind's natural state - one we need to reclaim. She then had an encounter during meditation that showed her, beyond any shadow of doubt, that birth and dying are actually illusions. Mary went on to have an amazing introduction to homeopathy, which expanded her training as a registered nurse into a different understanding and approach to disease, prevention, curing and healing. Mary urges us all to become mindful of our omniscient essence - and to embrace paradigm shifts in preventive and curative medicine as we awaken to consciousness as the primary force of life. Out of the Blue inspires every reader to live as an awakened being and a knowledgeable master of one's own destiny and wellbeing.
