America Star Books, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A brief review of Texas Coach Gone Wrong would be a wonderful childhood. Those childhood memories are filled with joy and loving parents. I began to hang around older boys in high school. I was a good high-school athlete that soon went to college at Slippery Rock State University in the fall of 1974. My story tells of how I began drinking on every occasion and became an alcoholic and drug addict. Steroids became involved in my last two years of college football. I graduated from college in 1978. My story tells of the wild days of college life and moving to Texas in the summer of 1981. I had made many stupid decisions before and after moving to Houston, Texas. My situations in this book and God's mercy and grace are the reasons I am sober and cocaine free today.
