Albert Whitman Company, United States, 2015. Hardback. Book Condition: New. Pistacchio (illustrator). 203 x 137 mm. Language: English . Brand New Book. The well-known fable of the Three Little Pigs gets a makeover in this efficient counting guide for beginning readers. The first little pig uses 5 bundles of straw to build a house in the shape of a cylinder, but the wolf blows it down. Using 6 big sticks and sheets to build a cone-shaped house, the second little pig is also unsuccessful at keeping the wolf at bay. Finally, the third little pig smartly gathers 100 strong bricks to build a cube-shaped house. Guess which piggy s house finally withstands the big bad wolf s blows? Pages at the end feature information on ordinal numbers, counting by ones and tens, and geometric shapes.
